

## **Board Member**

### *Tryon Creek Watershed Council*

**Summary:** The board supports the work of Tryon Creek Watershed Council and provides leadership and strategic planning to help TCWC fulfill its mission. In addition to serving on the board, all members are also expected to join a committee, which include the following: administrative, fundraising, outreach and education, and stewardship.

#### **Essential Duties and Responsibilities:**

- provide leadership and planning to help TCWC fulfill its mission
- attend board meetings
- join and serve on a committee

#### **Requirements:**

- passion and support of TCWC and its mission
- desire to collaborate with other community members
- previous board experience is helpful, but not required

#### **Benefits:**

- engagement and leadership in watershed issues within Tryon Creek and southwest Portland
- experience in non-profit operations
- community involvement and networking opportunities

#### **Time Commitment:**

- attend each board meeting, which occur from 6pm-8pm on the first Monday of alternating months
- attend chosen committee meeting, which occur once a month on alternating months from the board meetings (time and date will vary depending upon the committee)
